ABOUT US

We are a family owned and operated business with over 40 years of experience in the trade magazine publishing business. We are an allied publication of The Hauler Magazine, the premier magazine in the solid waste industry. Our experience, expertise, and professional, hard-working sales staff will make Allied Paving Equipment the #1 publication in the pavement industry.

Distribution Matters Allied Paving Equipment Magazine delivers your information monthly to over 20,000 qualified purchasers nationwide. We service every aspect of the paving and pavement maintenance industry including sweeping, paving, striping, sealcoating, and surface treatments. A.P.E. qualifies our readers and subscribers by mailing only to those companies, dealers, and government contractors who are presently active in the pavement industry.

Advertising and Marketing Allied Paving Equipment Magazine exclusively offers front cover exposure and in-house production to help create your own personalized advertisements. Marketing your product line is a specialized skill and advertising on a consistent and timely basis is the key to the successful growth of your company.

Research Department Our staff writers will provide our readers with the latest news and information in the paving industry, including monthly feature articles, product showcase, and cover stories. We want to know about your business and the people involved in making it successful. Please submit your company information for consideration.

Experienced Sales Staff We offer expert advice on laying out your ad and assisting you in selecting type, color, placement, etc. while creating an individual marketing plan for your company and products.

Professional In-House Production Allied Paving Equipment Magazine offers you the latest in art design and graphics at no additional cost.

Online Opportunities A.P.E.'s website will give your company products worldwide exposure at no additional cost.

For client-supplied ad materials, please follow these tips:

DIGITAL FILE FORMAT

High-resolution JPEG, PDF, or TIFF file. (300 dpi or higher)

BLEED FULL PAGE ADS:

Keep logos, text, headlines etc. **AT LEAST .25 in from TRIM** (not from bleed).

PHOTOS AND ARTWORK

- Photos taken on a phone should be sent with the largest photo setting possible (this enables us to scale down the photo to provide a clear, crisp picture). When emailing photos, please do not choose any options that will resize the photo causing it to become a smaller file.
- Photo-taking tips: Photos should be taken in well-lit areas. Make sure the subject is well-exposed, and nothing is in front of it. The background should be clear of any distracting objects.

COLORS

All colors in your finished ad should be CMYK. If your photo happens to be RGB, we can convert them for you at no additional cost.

MAKING PDFS

- When making a PDF, please make sure it is high resolution.
- Security should always be turned off.
- Make sure that all images are CMYK and not RGB.

ARTICLE SUBMISSION REQUIREMENTS

EDITORIAL/ADVERTORIAL SUBMISSION RULES FOR ALLIED PAVING EQUIPMENT MAGAZINE.

All material must be unique to the author. If you use material from a previously written article/website then it must be referenced and approved for use by the original source before submission is made to APE Magazine.

EDITORIAL:

We welcome any company to submit editorial with regards to a subject that they feel would benefit our readers. In order to be considered to publish the following guidelines must be followed.

1. The article must remain neutral and must not mention any product by brand name.
2. The article must be of general interest and be based on the known or state of the art technology disclosures.
3. All efforts shall be made in keeping the article as an informative piece of literature.
4. It should refrain from;
 - a. Hypotheses. The Writer's interpretation may be identified as such e.g. "in the opinion of the author" for any hypotheses but that too shall be based on known scientific or industrial facts.
 - b. any unfounded claims about technology or products.
 - c. Denigrating a product, or a class of products or technology.
5. The article cannot exceed 1,100 words or be published in installments at the discretion of the editor.
6. We reserve the right to edit your article for tone and length as space allows. All articles should be written in an objective journalistic manner to match our editorial content standard.

ADVERTORIAL:

APE has always prided itself on allowing companies to speak more in depth about their innovative products, their performance and the hard work that has gone into creating them. If you would like to submit an advertorial piece the following guidelines must be met.

1. The article cannot denigrate competitive products.
2. Claims must be scientifically supported by data and tests, preferably by a third party.
3. The article must not exceed 1,200 words and high-resolution photos must be provided.
4. The deadline for advertorial pieces is the 5th of each month.
 - a. If pieces are submitted after the 5th we cannot guarantee placement as we need time to review the piece to make sure none of the above criteria have been violated.
5. All company and product claims should be qualified. Don't say "Our XYZ product is faster," say "Our XYZ product is designed to be faster" or "engineered to be faster." Don't say: "Our company is the leader in the market." Rather, do state it as "Our company is a leading company in the market" or "Our company is among the leaders in the industry."
6. Please note that any advertorial piece published will state at the top of each page "Advertorial" and at the end of the article it will state "This piece was submitted by "x company" and was a paid submission. Any opinions and claims expressed in this article are those solely of the writer and do not reflect the opinion of APE Magazine or its staff. APE will not be held liable for any misinformation in this article".

All articles are subject to review by our editorial board, if during that review we discover a violation of the any of the above policies we will alert you to this and allow you the opportunity to resubmit your article.
